Product Updates

Exciting Changes!

We've updated our template screens to assist with authoring and managing existing badge templates, and authoring new ones. What should you look for? Some of our favorite new features are:

- The badge template ID is now displayed right on the details page. It's easier than ever to know which version you should use!
- The ability for issuers to manage labor market settings, including whether your skills tags are active.
- When authoring, a clean updated interface.

Lincoln

JAVASCRIPT

Issued by: Lincoln Technologies

Badge holders have demonstrated through self-directed project-based learning, a competence in the foundations of JavaScript, algorithms and data structures. JavaScript is a high-level programming language that all modern web browsers support. It is also one of the core technologies of the web, along with HTML and CSS.

Type: Validation

Criteria

The methods of instruction include practical exercises, discussion, and lecture.

What should you do now? Jump in and give it a try. Ultimately, this new look will help you create templates that have more impact for your earners and your organization. Don't forget that we maintain a robust [Issuer Support](#) area!

Pro Tips

New at Credly - Customer Success Ask Me Anything (CS AMA)!

The Customer Success team is excited to offer monthly "Ask Me Anything" sessions for current Credly clients. These one-hour sessions will take place on the **1st Wednesday of each month from 10-11 a.m CT**. During CS AMA, stop by and ask Credly CSM, Stephanie Overman, your most burning questions in a casual, fun, and collaborative environment. Some AMA questions may relate to:

- Platform Features
- Navigation
- Earner Experience
- Program Strategy
- Marketing/Communications

No questions to ask? You can still attend, engage, and learn from other Credly clients.

[Register Here!](#)

Please note that these sessions will not be recorded. We hope you can join us!

Who Should We Contact?

It's important that we know who to contact, especially if we receive a question from one of your earners that doesn't pertain to our platform. Please visit your admin area (found in the Preferences > Profile tab) and make sure you have up-to-date emails identified for contacts.

- **Technical Contact** = Who do we reach out to if we notice any technical problems with your integration or issuance?
- **Legal Contact** = Who do we notify of new subprocessors, privacy & security updates, etc.?
- **Support Email OR Support URL** = If someone asks us how to get one of your badges, we'll send them to you. Where do you want us to point them? You only need one or the other.

Marketing/Event Updates

Credly is Now Part of Pearson!

In case you missed it, [read all about our exciting announcement here](#). We have important work ahead of us, and we're glad you are part of our future!

As always, if there are any questions about the contents of this newsletter please reach out to your assigned CSM or contact us at customersuccess@credly.com.

Have an amazing day!
