## What's new?

We've been heavily focused on earners recently, enhancing their experience. Here are a few updates you may not have noticed:

### The earner dashboard has changed.

When an earner logs in, they are now presented with a sleek, custom dashboard highlighting their most recently accepted badge and suggesting more badge opportunities for them.

Further down on the page, an earner can add career goals and information that will help customize their experience.

Earners can now use Google and Microsoft accounts to log into Credly.

### Level up your career.

Join millions of professionals, recruiters, and employers on Credly, where you can:

- 🔗 Grow your professional skills
- 🔗 Showcase your skills to managers at your company
- 🔗 Earn credentials that translate to college credit
- 🔗 Discover new professional opportunities

## G2 for You?

As an experienced issuer you know the ins and outs of Credly and how to get the most from digital badges. Would you be willing to share your experiences with future issuers? It would be great to hear your feedback and experiences as a review [on our G2 profile](#).

## How Digital Credentials Can Help Educators Prepare The Future Workforce

Webinar | Feb 7

It's clear that students today believe digital credentials will help them stand out in the workforce. In fact, [new research from Coursera](#) reveals students are **75% more likely to enroll in academic programs that include professional certificates** or other digital credentials to help them stand out to employers. Find out more about how our customers who work in higher education have succeeded in offering credentials to their students. [Register here!](#)

## Ask Me Anything | Mar 1

Our AMA sessions are casual, fun, informal drop-ins where you can bring any question to a CSM. You'll also be able to interact with other issuers in our ecosystem! [Grab your spot here](#).

## Reboot Bootcamp

Masterclass Series | Mar 22

Has your organization experienced any of the following: change in program leadership, loss of focus for credentials, questions around data and impact, shift in marketing strategy? It might be time for a reboot, especially for our mature customers. **This session will focus on our best practices and what you might do to breathe new energy into your credential program.** Of course, new customers are welcome! Review what you likely learned in onboarding and score yourself in our success metrics! [Register here](#).
